Opinion number 18-475

Dear Madam,

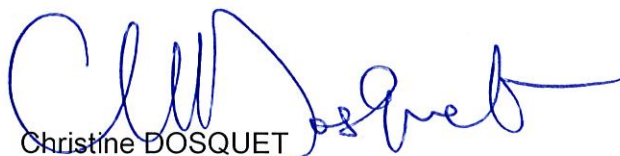

The ethics evaluation committee of Inserm, the Institutional Review Board (IRB00003888, IORG0003254, FWA00005831) of the French Institute of medical research and Health, has reviewed and approved the research project entitled:

" ODYSSEA - Observatory of the dynamics of interactions between societies and environment in the amazon : sustainability and adaptations to global changes "

subject to the opinion of the Brazilian ethics committee.

The investigator undertakes to respect the protocol and to follow the recommendations proposed by the ethics evaluation committee.

Yours sincerely,

Christine DOSQUET
IRB President
